Technical verification

Will take place from 9.00am onwards each day or as detailed in final instructions. Machines will be presented for technical inspection in a clean condition. Competitors must present themselves with their leathers, helmet, gloves and boots. It is the competitor's responsibility to ensure that his/her machine complies with the regulations and is safe for competing and is maintained in a safe condition throughout the event. All old technical verification stickers must be removed. Machines must be prepared as per the ACU Hillclimb and Sprint Standing regulations. Metal valves and metal caps to be fitted to tyre valves. Wheelie bikes must have steering dampers fitted.

Machine safety

It is the responsibility of the rider to ensure a machine and equipment used in practice and competition is mechanically and structurally in a safe condition and fit for the intended purpose. (ACU National Sporting Code, appendix D). Black fairing screens are not permitted. Road race machines constructed without chain guards by the OEM are exempt from chain guard requirements. Machines capable of speeds in excess of 150mph must be fitted with a suitable steering damper. All machines used for wheelies must be fitted with a suitable steering damper.

Rider personal protective equipment

Back protectors are highly recommended for all classes. Full leathers are highly recommended in Competition Classes although two-piece leathers are permitted these must be of high quality. Each part of the zip must be securely attached to the jacket or the trousers (not stretch panels) respectively and the suit must zip together over at least 75% of the waist band and jacket. Full leathers are compulsory for all riders competing on motorcycles capable of speeds above 100 mph for wheelie classes. All classes to wear leather motorcycle boots that offer above the ankle protection and are securely fitted, full leather gloves and an ACU approved helmet with a visible 2 ringed gold sticker. A visor or goggles must be used at all times when racing. All riding kit must be presented in good condition for inspection at scrutineering. Foreign competitor's helmets will be examined by the Clerk of the Course for their governing bodies approval sticker. Equipment that is taped up or poorly repaired will be rejected.

Championship points

Only riders with **FULL** Straightliners Membership are eligible for championship points.

Awards

Trophies will be awarded to the winners of the eliminations or class winners (providing there are 3 in the class) either at the current meeting or the meeting after for Straightliners Classes.

ACU Rounds

ACU Championship dates to be confirmed. Classes are as per the ACU handbook.

Timed runs

Unlimited timed runs per competitor will be allowed, unless otherwise stated. Racing will commence from 10:00am or as detailed in the riders briefing.

Starting

All runs will be started by clocks activated when the front wheel passes a light beam. A demonstration of the starting procedure will be given at the rider's briefing to those riders requiring it. The timing system used is certified.

Finishing

At the completion of a run all competitors must leave the course in accordance with the instructions given at the competitors briefing.

Number plates

In addition to the ACU Standing Regulations each machine is required to carry a rear and front facing number identification issued at signing on showing the competitor's number. The front number must be in place to allow the technical official to record the machine has passed inspection, rear numbers should be mounted vertically or on the back of a rider's crash helmet. Additional requirements will be notified during signing on.

Cameras

Mounting cameras to crash helmets is **strictly prohibited**. Cameras may be mounted securely to machines; it is advisable to also attach a safety lanyard should the camera become detached from its mounting. All riding equipment must be presented for inspection at scrutineering.

Conduct

Any rider who fails to comply with instructions or is considered to be riding or behaving in a reckless or dangerous manner, or in a manner liable to cause a nuisance anywhere on the site of an event will be dealt with by the Clerk of the Course. Riders are responsible for the behaviour of all persons associated with them at an event, an infringement of the rules and regulations may exclude a team from the event. The use of paddock bikes is restricted to officials and team members retrieving machines from the braking area. Wheelies, burn outs and excessive speed in non testing areas are prohibited. Excessive noise for anyone will result in disqualification from the meeting. No generators, loud music, etc after 11pm. We need to keep noise to a minimum. Random breath testing may be carried out at events.

Wet track / adverse conditions

In the event of rain or adverse conditions the Clerk of the Course shall carry out a track inspection, a decision to suspend racing or restrict classes that may access the track or to abandon the meeting will be that of the Clerk of the course and other race officials.
