Entry fees will only be returned if the meeting is cancelled more than 24 hours prior to the meeting. No refunds/transfers will be made in the event of poor weather conditions.

Rider/Machine changes

Subject to the approval of the Clerk of the Course/Scrutineer, the rider/passenger or machine, but not both, may be changed. Changes must be registered with the Secretary of the meeting / signing on.

Technical verification

Will take place from 9.30am onwards each day or as detailed in final instructions. Machines will be presented for technical inspection in a clean condition. Riders must present themselves with their leathers, helmet, gloves and boots. It is the rider's responsibility to ensure that his/her machine complies with the regulations and is safe for competing and is maintained in a safe condition throughout the event. All old technical verification stickers must be removed. Machines must be prepared as per the ACU Hillclimb and Sprint Standing regulations. Metal valves and metal caps to be fitted to tyre valves. Wheelie bikes must have steering dampers fitted.

Machine safety

It is the responsibility of the rider to ensure a machine and equipment used in practice and competition is mechanically and structurally in a safe condition and fit for the intended purpose. (ACU National Sporting Code, appendix D). Black fairing screens are not permitted. Machines capable of speeds in excess of 150mph must be fitted with a suitable steering damper. All machines used for wheelies must be fitted with a suitable steering damper.

Rider personal protective equipment

The following must be worn by all entrants in all classes: -

Full leathers are compulsory.

Back protectors and chest protectors are a mandatory requirement for all entrants.

Leather motorcycle boots, that offer above the ankle protection and are securely fitted.

Full leather gloves with armour.

ACU approved Full face helmet with a visible 2 ringed gold sticker. No open-faced helmets are allowed.

A visor must be used at all times when racing. Dark visors or tinted fairing screen are permitted but not both. Riders wearing dark glasses must have a clear visor and clear fairing screen.

All riding kit must be presented in good condition for inspection at scrutineering.

Equipment that is taped up or poorly repaired will be rejected.

Briefing

A rider's briefing will be held before testing begins and is the rider's responsibility to attend the briefing. Attendance at this meeting is compulsory. Engines must not be run before the rider's briefing.

Speed runs

Unlimited runs per entrant will be allowed, unless otherwise stated. Testing will commence at 10.30am or as detailed in the riders briefing. This is a test day and no official results will be recorded.

Starting

All runs will be started by the Chief Starter from a designated start point. Riders will be released from the paddock in small numbers. This will be decided by the size of the entry. Riders will proceed down the edge of the track to the start point at no more than 50mph. This speed restriction is imperative to reduce the noise signature of the event.

Finishing

At the completion of a run all riders must leave the course in accordance with the instructions given at the rider's briefing.

Number plates

In addition to the ACU Standing Regulations each machine is required to carry a front facing number identification issued at signing on showing the rider's number. The front number must be in place to allow the technical official to record the machine has passed inspection, Additional requirements will be notified during signing on.

Cameras

Mounting cameras to crash helmets is **strictly prohibited**. Cameras may be mounted securely to machines; it is advisable to also attach a safety lanyard should the camera become detached from its mounting

Conduct

Any rider who fails to comply with instructions or is considered to be riding or behaving in a reckless or dangerous manner, or in a manner liable to cause a nuisance anywhere on the site of an event will be dealt with by the Clerk of the Course. Riders are responsible for the behaviour of all persons associated with them at an event, an infringement of the rules and regulations may exclude a team from the event. The use of paddock bikes is restricted to officials and team members retrieving machines from the braking area. Wheelies, burn outs and excessive speed in non testing areas are prohibited. Excessive noise for anyone will result in disqualification from the meeting. No generators, loud music, etc after 11pm. We need to keep noise to a minimum. Random breath testing may be carried out at events.

Wet track / adverse conditions

In the event of rain or adverse conditions the Clerk of the Course shall carry out a track inspection, a decision to suspend testing or restrict classes that may access the track or to abandon the test session will be that of the Clerk of the course and other race officials.
